Couples take a Turnabout break.

On August 28, 1974 the Big Red and Gold Smilin' Machine was once again reactivated for another year of service. Frightened freshmen cautious, came through the door in early morning, not knowing what to expect.

Sophomores strolled in, aware of the ways and ready to advise new freshmen on their new experience. Later in the morning, juniors jauntily came through the door, anxious to begin (and end) the last half of their high school.

River Forest sails past Griffith by 41-13 count

By JACK PARRY
Post-Tribune Sports Writer

HOBART TWP. — Revenge tasted sweet Friday night for River Forest's Ingots as they made up for a pasting received last year at the hands of Griffith's Panthers. The Ingots posted a 41-13 conquest on their home turf, atoning for a 48-8 defeat a year ago by Griffith.

And, River Forest's straight triumph carried a jubilant Ingot crowd.

This came on a nifty 27-yard aerial from quarterback Eddie Mullins to end Carroll Thomas. And, Thomas, who was to be heard from further in the evening, booted the extra point.

The Panthers then took almost no time at all to get on the scoreboard. Jeff Cisco, Griffith's ace halfback, fielded

RENSSELAER — River Forest put its offense together Friday night and coach Ike Halaschak directed the Ingots to their second football victory of the season, 41-16 over Rensselaer.

The quarterback Ed Mullins threw for three touchdowns and also plunged across for six points to pace the Ingots' attack.

But, that was the last time the Panthers were able to put anything more on the scoreboard.

The Ingots rebounded with Mullins going in from a yard out, after he'd chucked a 33-yard pass to Thomas. He then passed to Mike Barker for the two-pointer.

Set up by an interception, the Ingots moved to their own 40. Here, Danny Bell started

Tech attempted a point conversion but Ki's pass to Malinowski was incomplete.

The 1974 football season turned out to be a fair one for winning games and a good one for renewal of spirit among the students.

The Ingots ended the season with three wins, including the Griffith Panthers, 41-13, at Homecoming) and six losses.

RF students showed encouragement for the football players at both home and away games.

River Forest Wrecks Foe

Mullins connected with Mike Barker, Carroll Thomas and Ron Gibson for touchdowns.

The Ingots finished with 192 yards in total offense for the contest while allowing Rensselaer 104.

Even River Forest's defense managed to score as Matt Yakab intercepted a pass and

ran it back 16 yards for a touchdown in the second half.

The win raised River Forest's record to 2-2 on the season.

The field hockey team, coached by Miss Joanne Schafer, had a close season this year. Many girls were interested in the hockey team, and the players on the team ranged from inexperienced beginners to the experienced pros.

The practices for hockey were relatively long, ranging from $1\frac{1}{2}$ to $2\frac{1}{2}$ hours. Many girls found them hard to get used to, but they stuck with it because they knew it was beneficial, not only to their own well-being, but also to the school.

Those girls who were interested in volleyball this year were able to have it for the 74-75 season. There were two teams. The A team for more experienced players and the B team for those girls who were inexperienced, or just beginning to learn and play the game.

The A team's coach was Miss Schafer and the team's coach was Miss Speckhard.

RF Cross country team strikes again.

Cross country runs up good year

Cross country had a good season during 1974-75, even though records were not set or even tied. Mr. John LaBounty was the coach of the scene.

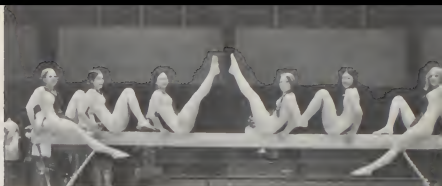

One of the problems cross country had during the season was lack of interest that was among the students. Interest in the sport was down and attendance at the game was low.

Students who went out for cross country experienced long and hard practices, but not many dropped out, and the majority of students found it to be rewarding.

Cross country team: First row (L to R) Brian Via, Bill Hanna, Dave Burton, Dan Cowart. Second row (L to R) Luke Corbett, Randy Wagoner, Dave Wilkins, and Scott Crafton. Mr. LaBounty was coach.

1974-75 was the second year for gymnastics at River Forest and the first year for home meets at the school. This year, the team had new equipment such as a new balance beam and new uneven parallel bars.

The members of the team were: Julie Wiggins, Teresa Wallace, Diana King, Alice Clark, Paula Hayes and Marla Conrad.

In the first meet against Munster and East Gary, they placed second. Against Oregon-Davis, they placed first. In the third meet against Lowell, East Gary and Valno, they placed third. In the last meet against East Gary, Hebron and Wheeler, they placed first.

In the sectionals at Portage, the team placed third in beginning level out of nine teams and in the regionals, Teresa Wallace placed in beginning vaulting.

The team won two trophies by the end of the season. They won first place at the Taft Tourney.

The Girl's A and B Basketball team for the 1974-75 season opened with a winning game against East Gary on January 3, 1975. Both the jv and varsity teams won against River Forest's rivals.

The team members often had long practices. This is where the players sharpened up their techniques and learned new ones for offensive and defensive actions when playing against other teams.

High School is a waste of time . . .

. . . unless you find a job that turns you on and makes good use of your education. Inland Steel wants only people who want to use everything they've learned in high school--and strongly desire to grow personally and in their chosen field.

Inland's future growth depends on the creativity and productivity of its people. If you want a really challenging opportunity to contribute--with the rewards and responsibilities that go with it--Inland wants to talk to you.

We need action-seeking graduates for opportunities in clerical . . . production . . . technical . . . and craft apprenticeship areas.

Think it over. If you have high aspirations and a good high school record, take time to find out about a career with us.

Turnabout causes happy, but sore feet

Freshman swingers sit one out.

The Turnabout was held Feb. 15, 1975, in the junior high multi-purpose room. The dance lasted from 7:00 to 11:00 and approximately thirty-five couples attended.

Music was provided by the band named "November's Guest." After the dance was over, many couples ventured out and had late dinner at near-by restaurants.

The tempo changes to rock.

A slow dance is worth a thousand words.

The Grand March ends with a flourish.

Students waltz around the garden.

Graduation is a big face cracker

On May 27, the class of 1975 was graduated from River Forest School. The ceremony began with a welcome by Mr. Newton, and then Rev. Crisp gave the Baccalaureate address. Margie Campbell, valedictorian, and Michelle Karageorge, salutatorian, also addressed the class. Then, the 171 graduates received their diplomas from the administration and the newly-formed school board.
